Mr Webb was astonished by the outcome of his auditions for the play "Alice in Wonderland the musical" which took place in the dance hall and music room on Thursday 21st March . His all singing all dancing play had attracted many DSTC students.

The Original Alice !!!

There were many hopefuls wishing to audition the tasks they had to complete were in order, an acting task, a dancing task to a disco rock and roll type song and the last but not least was to sing a short piece of a song from the television show Glee !!! These activities were supervised by none other than the expertise drama teacher Mr Webb; the magnificent musician Miss Bradshaw and the lucid Learning manager of the year 7s Miss Watson.

One of the students who agreed to be interviewed says that she enjoyed the auditions "because it was fun". She said the role in which she is interested in is the evil "Queen of hearts" moreover her reason is to build her confidence she also says "The show will be great!!!" . Meanwhile Mr Webb had answered a few of our questions; this was what he replied with "The auditions were amazing, so much talent !!! I have very high hopes, I love directing the shows and it will be a great experience for everyone" He also confesses that they have not yet chosen the roles since a staggering amount of 54 pupils arrived for the auditions.

The audience have high hopes for the production and are waiting on the edges of their seats for it to be performed.
