

BBC Raving Report !!!

Over the last few days pupils at DSTC school for girls have been practising writing news reports for the BBC school news report day this enhances the idea of how real news reporters work.

In English Mrs Girgenti has been exploring; with the students from 7D many set-ups and ways newspapers are written. We have been enjoying this very much !!!

Mrs Girgenti has announced that “It is a great way to show your talents.” Parents can see the many different newspaper stories that the children have produced over the BBC website . Rebecca has said “It’s a great way for our parents to see our progress”.

The reports are now ready for many people to read using the BBC website. Parents are eager to read their children's news interpretation.
