

Crazy weather?

Its spring and getting ready for the delight of sun, turns out it's still snowing?

25.3.13

Today its Cloudy with snow still and there's a dreadful chill. People decide to wrap up warm for this very odd weather. People want a lovely sunny day and wish that the earth knows that is supposed to be spring not December!

Interviews of people's opinions on the weather.

Charity: "The weather is Horrible and cold I prefer sun that this weather!"

Mr Webb: "Its mad and crazy I prefer it to either snow heavily or not at all im sick of this half snow!"

Grace: "I think it's very strange I like the hot weather more than the cold weather"

Sommer: "I think it's crazy and im getting sick of low temperatures I prefer just cloud than snow!"

Lucy: "It's annoying I prefer sun than this weather"

Megan: "I think it's cold and rainy but I love it"

Hannah: "I hate the weather it puts me in a sad mood!"

Cassie: "I hate this weather its cold and keeps changing I want sun!"

Eloise: "I don't really like it because it's too cold I prefer when it's warm I love warm weather!"

Abbie: "It's meant to be spring and its affect to the global warming I prefer it cold I hate warm weather!"

Mitha: "its unpredictable it changes very quick I like it!"

The reason for all this crazy weather

There isn't a reason for this odd weather it just happens naturally. It's like growing up you can't control it.
