

## *Alice In Wonderland Auditions*

On Thursday 21st March 2013 the auditions took place in the Dance Studio. The 'judges' were Mr Webb, who is the Drama teacher, Miss Bradshaw, who is the OMC teacher and lastly Miss Watson who is the dance teacher. Fifty four students attended the auditions. They were there because they wanted to audition for a part in the musical, lots of students came!

Firstly the students had to do drama, which meant they had to go into groups of six - then create a play. After the drama, dancing took place- so Miss Watson showed us what they had to do. Then we created a beginning and end to the dance routine. Finally they did singing; people got put in pairs- the pairs had to be alto and soprano to do a harmony.

Quite a few of the students thought it was all being spread out fairly throughout all age groups, the students asked a couple of teachers about the auditions, here is a quote "The feedback on the auditions was amazing, they all put in lots of effort so much talent will be shown in this musical!"

The ideas and feelings from the students were mixed, but nobody felt left out or self-conscious whereas sometimes they have been in other plays that they have taken part in. The students felt excited and enthusiastic about the Summer Musical; after everybody had taken part in the auditions everybody clapped and was helpful to others, very pleasing!
