

# Justin Bieber

Justin Bieber was late to his own concert by 2 HOURS! It left some people in tears and some laughing.

At the O2 Arena on March 5<sup>th</sup> 2013 many were left devastated to see him turn up 2 HOURS LATE!

People are saying these are the reasons he was late:

- .Technically Difficulties
- .Bing A Deva
- .He Was Scared
- .Putting on His Magic Wings
- .He Was Drunk

We have reason to believe that the real reason he was late because of technical difficulties when he was putting on his magic wings.

We interviewed Miss Quan about this matter:
