Parent/Carer Signature	Parent/Carer Name
Student Signature	Date

Year 9 Options Surgery Information

Dear Parents/Carers

If there are specific questions you have about your daughter's options that the form tutors or year team are unable to answer then I will be hosting a Year 9 Options Surgery on School Cloud.

Appointments will be limited and it will be first come first served so please only book if you have specific questions that haven't been answered by any of the previous information sent out.

To book an appointment please log on to School Cloud (<https://dartfordsciencetechnologycollege.schoolcloud.co.uk>), enter the relevant details and select 'Year 9 Options Surgery'. This will then show you the available times remaining.

This will go live and you will be able to book appointments from **Saturday 13 March 2021**.

The dates and times of the Surgery are:

Tuesday 16 March 13:00 - 16:00 & Friday 19 March 14:00 - 16:00

This is not compulsory and if you have specific questions about your daughter's suitability for individual subjects then the subject teacher or year team may be best placed to answer these.

Thank you for your support and patience with the Options process

Mr Archer
