

16-19 Tuition Grant 2021-22

In line with the Government guidance on use of the tuition fund, DSTC will prioritise students who have not achieved a grade 4 in Maths (all of our Post 16 students have at least a Level 4 in English). Students will be put into groups of no more than 5 for small group tuition work on a weekly basis. We aim to begin this in September as soon as staffing and timings are confirmed.

If funds allow, we will then expand the offer of tuition to students who:

- Have a grade 4 in Maths and English but would benefit from small group tuition in another subject such as Science.
- Are from a disadvantaged background and/or have SEND and who we consider would benefit from small group tuition.

Tuition will be delivered by teaching staff or a member of support staff who is experienced in small group tuition.

As soon as our plans are finalised we will provide a more detailed and costed plan.
