

Notice of the AGM for the Dartford Cooperative Learning Trust (the Trust) on 21st February at 9.30am.

DSTC is part of the Cooperative Schools Movement and has been since 30th April 2014 when Dartford Science and Technology College became a Cooperative Trust School.

As part of the work that the Trust does, it has endeavoured to involve local communities and businesses to help further the life chances and aspirations of the students that attend DSTC. The object of the Trust is to advance the education of our learners and the local community where it can.

All members of our community are welcome to attend our AGM, if you wish to do so please email susan.wells@dstc.kent.sch.uk by the 1st February 2024. The agenda for the meeting is attached and the minutes will be published on our website after the meeting.
