Dear Parent/Carer

### **Pool of Parent Experts**

The Governing Body of DSTC would like to invite parents to complete [this form](#) in order to become part of a pool of experts whom we could call upon for support should we have the need. This would suit someone who is happy to be contacted to share their skills and advice but who cannot commit to the responsibility of being a full member of the Governing Body.

If you would like more information and are happy to share your skill set, relevant to the running of a school, i.e. business, finance, law, marketing, construction for example and you give permission for us to securely store this information and to be contacted when needed, please complete the following form.

Yours faithfully,

*C Williams*
