Congratulations to all of our students whose fantastic results have secured exciting apprenticeship opportunities including:

Dominic - AXIS Europe (Surveying)
Oliwia - ABA Insurance

'I am proud to celebrate some fantastic individual achievements with an increased number of students securing their first choice of university, studying a wide range of subjects. Students have worked hard to secure either their university place, an apprenticeship or employment. I would like to take this opportunity to thank all students, parents and staff for their hard work and commitment over the last 2 years'.

Joanne Sangster, Principal
